

Optimist Winter Championships 2022

Site Instructions

Arrival

Directions to the club can be found via the following web site <http://www.dwsc.co.uk/aboutus/location/> or use What Three Words Hugs.Friend.After

Gates will be open to 5.30 on Friday night and from 08.00 on Saturday morning.

When entering the Club, you will be met by our friendly team of volunteers. Please follow their instructions.

Once past the gate, please proceed to the left-hand ramp to the 1st drop-off point following the one-way system. If you have trailers this is the area for you. When approaching the top of the “up” ramp and the 2nd drop-off point, please follow the directions of the marshals and drop-off all boats and equipment into the boat set-up area.

To allow other sailors to drop-off their boats, please can all parents / car drivers move all vehicles back down the “down” ramp and park in the car park.

RIB drivers are invited to drop off their trailers in the RIB launching area and take their vehicle back to the parking area. The Club will provide a launching vehicle to assist with launching.

There are easy-access steps up to the Club house from the car park.

Marshals

Site marshals will be position around the site to direct vehicles, sailors and boats. We ask all sailors and parents taking part in the event to respect the marshal's directions and instructions.

Catering Facilities

Full catering facilities are available all day on Saturday and Sunday for meals, snacks, sandwiches, hot and cold drinks. There is also a licensed bar available in the Club house. Sailors wishing to bring their own packed lunches can use the outside benches. All catering facilities are available in the "wet bar" allowing sailors to enter the Club house in wet clothing.

Club House

We have a large viewing lounge that you are welcome to use. The caterer would appreciate you returning plates, cups etc to him.

Changing Facilities

Both male and female changing rooms and hot showers are available for all sailors. All users of the changing rooms are advised not to leave any valuable items unattended.

Site Rules

No dogs on site.

No access around the reservoir outside the club boundaries

Buoyancy aids must be worn on the beach and pontoons at all times.

Launching

No one will be permitted onto the steep part of the beach unless wearing a life jacket. Parents and supporters are encouraged to bring waders to assist on the two slipways.
